Midwesterners to clinch the presidency ...

Quirke—the hard-drinking, insatiably curious Dublin pathologist—is back, and he's determined to find his daughter's best friend, a well-connected young doctor April Latimer has vanished. A junior doctor at a local hospital, she is something of a scandal in the conservative and highly patriarchal society of 1950s Dublin. Though her family is one of the most respected in the city, she is known for being independent-minded; her taste in men, for instance, is decidedly unconventional. Now April has disappeared, and her friend Phoebe Griffin suspects the worst. Frantic, Phoebe seeks out Quirke, her brilliant but erratic father, and asks him for help. Sober again after intensive treatment for alcoholism, Quirke enlists his old sparring partner, Detective Inspector Hackett, in the search for the missing young woman. In their separate ways the two men follow April's trail through some of the darker byways of the city to uncover crucial information on her whereabouts. And as Quirke becomes deeply involved in April's murky story, he encounters complicated and ugly truths about family savagery, Catholic ruthlessness, and race hatred. Both an absorbing crime novel and a brilliant portrait of the difficult and relentless love between a father and his daughter, this is

Benjamin Black at his sparkling best.

Now a major TV series: Quirke starring Gabriel Byrne and Colin Morgan and written by Conor McPherson 1950s Ireland. As a deep, bewildering fog cloaks Dublin, a young woman is found to have vanished. When Phoebe Griffin, still haunted by the horrors of her past, is unable to discover news of her friend; Quirke, fresh from drying out in an institution, responds to his daughter's request for help. But as Phoebe, Quirke and Inspector Hackett speak with those who knew April, they begin to realise that there may have been more behind the young woman's discretion and secrecy than they could have imagined. Why was April so estranged from her family? What is her close-knit circle of friends hiding? And who is the shadowy figure who seems to be watching Phoebe's flat at night, through the frozen mists? As Quirke finds himself distracted from his sobriety by a beautiful young actress, Phoebe watches helplessly as April's family hush up her disappearance, and all possible leads seem to dry up, bar one she cannot bear to contemplate. But when Quirke makes a disturbing discovery, he is finally able to begin unravelling the great, complex web of love, lies, jealousy and dark secrets that April spun her life from . . . 'Quirke is an endearing hero . . . A beguiling read' The Times 'Vivid and compelling' Marie Claire

Download Ebook Elogy For April Quirke 3 Benjamin Black

When the body of his daughter's friend is brought to his autopsy table in 1950s Ireland, Quirke, refusing to play by the Catholic Church's rules, investigates the boy's murder and discovers just how far the Church and its supporters will go to protect their own interests.

In the debut crime novel from the Booker-winning author, a Dublin pathologist follows the corpse of a mysterious woman into the heart of a conspiracy among the city's high Catholic society. It's not the dead that seem strange to Quirke. It's the living. One night, after a few drinks at an office party, Quirke shuffles down into the morgue where he works and finds his brother-in-law, Malachy, altering a file he has no business even reading. Odd enough in itself to find Malachy there, but the next morning, when the haze has lifted, it looks an awful lot like his brother-in-law, the esteemed doctor, was in fact tampering with a corpse—and concealing the cause of death. It turns out the body belonged to a young woman named Christine Falls. And as Quirke reluctantly presses on toward the true facts behind her death, he comes up against some insidious—and very well-guarded—secrets of Dublin's high Catholic society, among them members of his own family. Set in Dublin and Boston in the 1950s, the first novel in the Quirke series brings all the vividness and psychological insight of Booker Prize winner John

Download Ebook Elegy For April Quirke 3 Benjamin Black

Banville's fiction to a thrilling, atmospheric crime story. Quirke is a fascinating and subtly drawn hero, Christine Falls is a classic tale of suspense, and Benjamin Black's debut marks him as a true master of the form.

Booker Prize winner John Banville returns with a dark and evocative new mystery set on the Spanish coast Don't disturb the dead... On the idyllic coast of San Sebastian, Spain, Dublin pathologist Quirke is struggling to relax, despite the beaches, cafés and the company of his disarmingly lovely wife. When he glimpses a familiar face in the twilight at Las Acadas bar, it's hard at first to tell whether his imagination is just running away with him. Because this young woman can't be April Latimer. She was murdered by her brother, years ago—the conclusion to an unspeakable scandal that shook one of Ireland's foremost political dynasties. Unable to ignore his instincts, Quirke makes a call back home to Ireland and soon Detective St. John Strafford is dispatched to Spain. But he's not the only one en route. A relentless hit man is on the hunt for his latest prey, and the next victim might be Quirke himself. Sumptuous, propulsive and utterly transporting, April in Spain is the work of a master writer at the top of his game.

The inimitable Quirke returns in another

Download Ebook Elegy For April Quirke 3 Benjamin Black

spellbinding crime novel, in which a young woman's dubious suicide sets off a new string of hazards and deceptions Two years have passed since the events of the bestselling *Christine Falls*, and much has changed for Quirke, the irascible, formerly hard-drinking Dublin pathologist. His beloved Sarah is dead, his surrogate father lies in a convent hospital paralyzed by a devastating stroke, and Phoebe, Quirke's long-denied daughter, has grown increasingly withdrawn and isolated. With much to regret from his last inquisitive foray, Quirke ought to know better than to let his curiosity get the best of him. Yet when an almost forgotten acquaintance comes to him about his beautiful young wife's apparent suicide, Quirke's "old itch to cut into the quick of things, to delve into the dark of what was hidden" is roused again. As he begins to probe further into the shadowy circumstances of Deirdre Hunt's death, he discovers many things that might better have remained hidden, as well as grave danger to those he loves. Haunting, masterfully written, and utterly mesmerizing in its nuance, *The Silver Swan* fully lives up to the promise of *Christine Falls* and firmly establishes Benjamin Black (a.k.a. John Banville) among the greatest of crime writers.

One of The Chicago Tribune's Best Reads of 2011 One of Dublin's most powerful men meets a violent end— and an acknowledged master of

Download Ebook Elegg For April Quirke 3 Benjamin Black

crime fiction delivers his most gripping novel yet On a sweltering summer afternoon, newspaper tycoon Richard Jewell—known to his many enemies as Diamond Dick—is discovered with his head blown off by a shotgun blast. But is it suicide or murder? For help with the investigation, Detective Inspector Hackett calls in his old friend Quirke, who has unusual access to Dublin's elite. Jewell's coolly elegant French wife, Françoise, seems less than shocked by her husband's death. But Dannie, Jewell's high-strung sister, is devastated, and Quirke is surprised to learn that in her grief she has turned to an unexpected friend: David Sinclair, Quirke's ambitious assistant in the pathology lab at the Hospital of the Holy Family. Further, Sinclair has been seeing Quirke's fractious daughter Phoebe, and an unlikely romance is blossoming between the two. As a record heat wave envelops the city and the secret deals underpinning Diamond Dick's empire begin to be revealed, Quirke and Hackett find themselves caught up in a dark web of intrigue and violence that threatens to end in disaster. Tightly plotted and gorgeously written, *A Death in Summer* proves to be the brilliant but sometimes reckless Quirke that in a city where old money and the right bloodlines rule, he is by no means safe from mortal danger.

A suspicious death, a pregnant woman suddenly gone missing: Quirke's latest case leads him

Download Ebook Elegy For April Quirke 3 Benjamin Black

inexorably toward the dark machinations of an old foe Perhaps Quirke has been down among the dead too long. Lately the Irish pathologist has suffered hallucinations and blackouts, and he fears the cause is a brain tumor. A specialist diagnoses an old head injury caused by a savage beating; all that's needed, the doctor declares, is an extended rest. But Quirke, ever intent on finding his place among the living, is not about to retire. One night during a June heat wave, a car crashes into a tree in central Dublin and bursts into flames. The police assume the driver's death was either an accident or a suicide, but Quirke's examination of the body leads him to believe otherwise. Then his daughter Phoebe gets a mysterious visit from an acquaintance: the woman, who admits to being pregnant, says she fears for her life, though she won't say why. When the woman later disappears, Phoebe asks her father for help, and Quirke in turn seeks the assistance of his old friend Inspector Hackett. Before long the two men find themselves untangling a twisted string of events that takes them deep into a shadowy world where one of the city's most powerful men uses the cover of politics and religion to make obscene profits. Even the Dead--Benjamin Black's seventh novel featuring the endlessly fascinating Quirke--is a story of surpassing intensity and surprising beauty.

Detective Inspector Hackett and his

occasional partner Quirke investigate the suicide of a prominent Irish businessman in this new crime novel from the author of Christine Falls and The Silver Swan. 60,000 first printing.

John Banville's stunning powers of mimicry are brilliantly on display in this engrossing novel, the darkly compelling confession of an improbable murderer. Freddie Montgomery is a highly cultured man, a husband and father living the life of a dissolute exile on a Mediterranean island. When a debt comes due and his wife and child are held as collateral, he returns to Ireland to secure funds. That pursuit leads to murder. And here is his attempt to present evidence, not of his innocence, but of his life, of the events that lead to the murder he committed because he could. Like a hero out of Nabokov or Camus, Montgomery is a chillingly articulate, self-aware, and amoral being, whose humanity is painfully on display.
