Four Winns designs and builds boats with familiar hull types including modified vee, deep vee, semi-displacement and other. They are usually considered ideal for conventional boating pursuits including day cruising, watersports, overnight cruising, freshwater fishing and saltwater fishing.

As a college professor, the town respected him. As a husband who could not pay his way - his wife despised him. As Peter Waring said bitterly after she walked out on him, "Maybe I'm a college teacher - but damn it all, I'm also a man! I want to live like a man . . . love like a man . . ." Yet how could he? Like most faculty members, he had to burn the midnight oil doing extra assignments to improve his lot in the world. For although his wife was rich, she wanted Peter to pay - or to play! When a college campus is rocked by violent revolt, it isn't always the students who are to blame. In this case, it started with Viviam Temple, a highly respectable English teacher - whose husband could no longer satisfy her erotic appetites. It spread quickly to Eric Bentley, another normally staid member of the faculty, who knew a good thing when he saw it - and saw Vivian at her naked best. Then it touched Barry Holmes, an A student who just happened to like doing nude studies instead of his homework!

These will abstracts cover the years 1663-1780 and a few later wills. The work is arranged alphabetically by the name of the testator, giving name, place of residence, names of wife, children, legatees, witnesses and probate officers, names of plantations, and noteworthy passages in the wills. Nearly 20,000 persons are mentioned; includes an index.

This unique 110-page blank journal works great for a boat log or notebook to keep track of repairs, trips, fuel burn or anything else that happens aboard your vessel.

“ Jo Weldon is the gold-standard for New Burlesque. I am proud to call her my friend, and unashamed to admit she ’ s my idol. ” — Lily Burana, author of Strip City: A Stripper's Farewell Journey Across America From one of the stars of the New Burlesque scene, Jo Weldon, comes a definitive, easy-to-use, and indispensable guide to the art form, with a foreword by superstar comedian and burlesque enthusiast Margaret Cho. Fans of Dita Von Teese—as well as performers of every stripe—will love the helpful advice and feisty attitude of The Burlesque Handbook.

The Boat Rocker is a poetry of life that both presents a philosophy of life and describes an art of living that has been learned the hard way-by actually living a life; by having tasted all the joys life offers and having suffered many of the tragedies and pains life inevitably brings as well. While The Boat Rocker will not help a person to avoid all tragedy and pain-those are a part of every life-it will help everyone who takes it's message to heart to avoid some needless suffering and to get through whatever vale of tears is encountered through a simple act of faith, for fidelity is everything in life-fidelity to self, fidelity to our loved ones, fidelity to our purpose in life, and fidelity to God. These are essential for a well-lived, rewarding life. But love is the heart and soul of faith, and faith is but love made real.

An updated reference for power and sail boaters surveys the latest developments in safety systems, marine electronics, radar, and communications, and federal laws and regulations, and includes information on tides, currents, weather, and navigation.
