Michael Braddick's "God's Fury, England's Fire", is a new history of the English Civil Wars and for those of us who first studied the subject forty years ago the emphasis on "new" is appropriate. Then the seminal works of Gerald Aylmer, and his former tutor, Christopher Hill, provided alternative interpretations based on Whig and Marxist lines.

The sequence of civil wars that ripped England apart in the seventeenth century was one of the most devastating conflicts in its history. It destroyed families and towns, ravaged the population and led many, both supporters of Charles I and his opponents, to believe that England's people were being punished by a vengeful God.

~~God's Fury, England's Fire: A New History of the English ...~~

This sense of overwhelming trauma gives this major new history its title: God's Fury, England's Fire. The name of a pamphlet written after the king's surrender, it sums up the widespread feeling within England that the seemingly endless nightmare that had destroyed families, towns and livelihoods was ordained by a vengeful God - that the people of England had sinned and were now being punished.
