The Dark Design Riverworld 3

After a letdown in sense of wonder, exploration, and plot speed in "The Fabulous Riverboat", book #3 of Riverworld - "The Dark Design" does a lot to fix what was wrong and even brings back Richard Burton. A few other new historical characters also join the fun (Jack London, Tom Mix, etc).

The Dark Design (Riverworld, #3) by Philip José Farmer
The dark design had no pattern. CHAPTER 3. Groaning, Burton half-awoke. For a moment, he didn't know where he was. Darkness surrounded him, darkness as thick as that which he felt filled him. Familiar sounds reassured him. The ship was rubbing up against the dock, and water lapped against the hull. Alice was breathing softly by him.

A New York Times bestseller, The Dark Design is the third novel in Hugo and Nebula award-winning science fiction legend Philip José Farmer's Riverworld series. Milton Firebrass, once Mark Twain's enemy and now his greatest ally, plans to build a giant airship that can fly to the North Pole of Riverworld. Once there, he hopes to learn the secret of the mysterious tower that dominates the landscape and find the answer to his most urgent question: could the tower contain the Ethicals, the enigmatic beings that created Riverworld? Meanwhile, Jill Gulbirra is challenged for the job of piloting the airship by none other than Cyrano de Bergerac. As if there were not enough challenges facing the crew, they soon suspect there is an agent of the Ethicals among their number, plotting their destruction.... Resurrected on the lush, mysterious banks of Riverworld, along with the rest of humanity, Samuel Langhorne Clemens (a.k.a. Mark Twain) has a dream: to build a riverboat that will rival the most magnificent paddle-wheelers ever navigated on the mighty Mississippi. Then, to steer it up the endless waterway that dominates his new home planet - and at last discover its hidden source. But before he can carry out his plan, he first must undertake a dangerous voyage to unearth a fallen meteor. This mission would require striking an uneasy alliance with the bloodthirsty Viking Erik Bloodaxe, treacherous King John of England, legendary French swordsman Cyrano de Bergerac, Greek adventurer Odysseus, and the infamous Nazi Hermann Göring. All for the purpose of storming the ominous stone tower at the mouth of the river, where the all-powerful overseers of Riverworld - and their secrets - lie in wait . . .

From award-winning author Philip Jose Farmer comes his most famous science fiction work: the first combined edition of the first two Riverworld novels, To Your Scattered Bodies Go and The Fabulous Riverboat. Imagine that every human who ever lived, from the earliest Neanderthals to the present, is resurrected after death on the banks of an astonishing and seemingly endless river on an unknown world. They are miraculously provided with food, but with not a clue to the possible meaning of this strange afterlife. And so billions of people from history, and before, must start living again. Some set sail on the great river questing for the meaning of their resurrection, and to find and confront their mysterious benefactors. On this long journey, we meet Sir Richard Francis Burton, Mark Twain, Odysseus, Cyrano de Bergerac, and many others, most of whom embark upon searches of their own in this huge afterlife. The basis of the 2010 television miniseries from Syfy. "Charts a territory somewhere between Gulliver's Travels and The Lord of the Rings."--Time At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

All those who ever lived on Earth have found themselves resurrected - healthy, young, and naked as newborns - on the grassy banks of a mighty river, in a world unknown. Miraculously provided with food, but with no clues to the meaning of their strange new afterlife, billions of people from every period of Earth's history - and prehistory - must start again. Sir Richard Francis Burton would be the first to glimpse the incredible way-station, a link between worlds. This forbidden sight would spur the renowned 19th-century explorer to uncover the truth. Along with a remarkable group of compatriots, including Alice Liddell Hargreaves (the Victorian girl who was the inspiration for Alice in Wonderland), an English-speaking Neanderthal, a WWII Holocaust survivor, and a wise extraterrestrial, Burton sets sail on the magnificent river. His mission: to confront humankind's mysterious benefactors, and learn the true purpose - innocent or evil - of the Riverworld. . . . Winner of the Hugo Award for best novel, 1972

Thirty billion people from throughout Earth's history have been resurrected along the great an winding waterways of Riverworld. Most began life anew - accepting without question the sustenance provided by their mysterious benefactors. But a rebellious handful burned to challenge the unseen masters who controlled their fate Now, these adventures of Riverworld have penetrated the great tower which rises from the amazing planet's north polar seas - and within it is the mighty computer which controls the resurrection of billions of human beings. It is inside this giant tower that Sir Richard Burton, Alice Liddell Hargreaves, Peter Frigate and Li Po meet their greatest challenge - and their deadliest foe. The incredible secret behind the Riverworld is about to be unveiled . . .

Three stories of a world shared by resurrected humans from all times and places—plus ten more tales by the Hugo Award–winning author of the World of Tiers series. On author Philip José Farmer's Riverworld, humans from every era and culture have been simultaneously resurrected. Ancient Hebrews, medieval warriors, Spanish Inquisitors, and modern Americans intermingle in this strange new environment, but many still cling to old prejudices. Tom Mix, a silent-film star originally from early-twentieth-century Earth, is journeying among the vast population along the millions of miles of the River, in search of familiar faces from his own time. He's been traveling the River for five years and believes people are starting to change. But when he's entangled in a brutal clash between states, he discovers that some are slow to let go of the ideas that ruled them on Earth. This volume includes the novelette "Riverworld," along with two additional Riverworld tales and ten other short stories, all strange, clever, and profound. Farmer's explorations of the wonderful and bizarre—from a portrayal of Jesus and Satan as cowpokes to a reimagining of Edgar Rice Burroughs's Tarzan in the style of William Burroughs—plunge the reader into "one of the most imaginative worlds in science fiction" (Booklist). This ebook includes"Riverworld," "J. C. on the Dude Ranch," "The Volcano," "The Henry Miller Dawn Patrol," "The Problem of Sore Bridge—Among Others," "Brass and Gold (or Horse and Zeppelin in Beverly Hills)," "The Jungle Rot Kid on the Nod," "The Voice of the Sonar in My Veriform Appendix," "Monolog," "The Leaser of Two Evils," "The Phantom of the Sewers," "Up the Bright River," "Crossing the Dark River," and Philip JosFarmer's article on the making of Riverworld, "The Source of the River."

Simon Wagstaff narrowly escapes the Deluge that destroys Earth when he happens upon an abandoned spaceship. A man without a planet, he gains immortality from an elixir drunk during an interlude with a cat-like alien queen. Now Simon must chart a 3,000-year course to the most distant corners of the multiverse, to seek out the answers to the questions no one can seem to answer.

In the fourth and concluding volume of the Riverworld series, literally everyone who has ever lived, including Sir Richard Burton, Mark Twain, and Herman Goering, is resurrected along the banks of an enormous river on a mysterious planet

Each of the stories takes place on the Riverworld but is by a different writer. These writers were given carte blanche with their situations and characters but had to follow the structure and strictures of the Riverworld as laid down by Farmer.

Benoni Rider set out across the unexplored desert of a future America to prove himself a man and find a new land for his people. The task at first seemed merely exceedingly hard - and then it began to seem entirely impossible. Because all he had to do was join a barbaric army, become a bodyguard for a queen, act as another nation's emissary to his own, lead an army into battle against the wild men of the north, and manage somehow to get back to Finlaks with the secret of the CACHE FROM OUTER SPACE. That last was the secret that, if learned, could enable any of the barbarian nations of that devastated future to control the rest of the world . . . or annihilate it all over again!
