In a way, The Future for Curious People is the sort of anti-Eternal Sunshine of the Spotless mind in how it handles relationships and technology, if that makes any sense, and that makes it an interesting read. The story is about a future where people can essentially hook themselves up to a computer and see various iterations of their future.

In The Future for Curious People, a young librarian named Evelyn becomes obsessed with this new technology: she can ' t stop visiting Dr. Chin ' s office because she needs to know that she ' ll meet someone and be happy one day. Godfrey, another client, ends up at the envisionist ' s office only because his fianc é e insisted they know their fate before taking the plunge.
